Press Release

JENSEN evaluates a consolidation of production sites

A decorative graphic consisting of several overlapping, light blue, rounded rectangular shapes that resemble stylized paper clips or loops, positioned to the right of the main headline.

JENSEN-GROUP is currently evaluating the consolidation of the Swiss production into the Danish production unit JENSEN DENMARK A/S. All personnel at JENSEN AG Burgdorf in Switzerland were informed today by the executive management. JENSEN AG Burgdorf has now entered a consultation phase as required by the Swiss law.

Upon satisfactory completion of the consultation procedure and the analysis of the proposals, a final decision will be taken and appropriate communication will be made.

Profile

The JENSEN-GROUP assists heavy-duty laundries worldwide to provide quality textile services economically. We have become the preferred supplier in the laundry industry by leveraging our broad laundry expertise to design and supply sustainable single machines, systems and integrated solutions. We are continuously growing by extending our offer and by developing environmental friendly and innovative products and services that address specific customer needs. Our success results from combining our global skills with our local presence. The JENSEN-GROUP has operations in 12 countries and has distribution in more than 50 countries. Worldwide, JENSEN-GROUP employs about 1.100 employees.
